| <b>Soort verzekering:</b> | autozekering |
|---------------------------|--------------|

|                         |      |
|-------------------------|------|
| <b>Nominale stroom:</b> | 200A |
|-------------------------|------|

|                                |       |
|--------------------------------|-------|
| <b>Zekeringkarakteristiek:</b> | traag |
|--------------------------------|-------|

|                    |            |
|--------------------|------------|
| <b>Afmetingen:</b> | 52x70x42mm |
|--------------------|------------|

|               |       |
|---------------|-------|
| <b>Kleur:</b> | zwart |
|---------------|-------|

|                          |             |
|--------------------------|-------------|
| <b>Voedingsspanning:</b> | 12...24V DC |
|--------------------------|-------------|

|                                    |            |
|------------------------------------|------------|
| <b>Caraudio<br/>eigenschappen:</b> | waterdicht |
|------------------------------------|------------|
