| <b>Symbol:</b> | FAKRA-HSD-USB-M |
|----------------|-----------------|

|                            |                            |
|----------------------------|----------------------------|
| <b>Produktová skupina:</b> | Prepájacie koaxiálne káble |
|----------------------------|----------------------------|

## Parametre produktu

|                                  |                   |
|----------------------------------|-------------------|
| <b>Typ prepojovacieho kábla:</b> | koaxiálny anténny |
|----------------------------------|-------------------|

|                     |       |
|---------------------|-------|
| <b>Dĺžka kábla:</b> | 0,18m |
|---------------------|-------|

|                                      |                                  |
|--------------------------------------|----------------------------------|
| <b>Konštrukcia kábla/prepojenia:</b> | Fakra HSD zásuvka, USB A vidlica |
|--------------------------------------|----------------------------------|

|                |         |
|----------------|---------|
| <b>Verzia:</b> | USB 2.0 |
|----------------|---------|

|                          |        |
|--------------------------|--------|
| <b>Verzia konektora:</b> | priamy |
|--------------------------|--------|

|                               |           |
|-------------------------------|-----------|
| <b>Určenie - značka auta:</b> | BMW, Mini |
|-------------------------------|-----------|

|                              |                                                                                                                                                                |
|------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Určenie - model auta:</b> | BMW 1 (E81/E82/E87/E88) 2004->2013, BMW 3 (E90/E91/E92/E93) 2005->2013, BMW 5 (E60/E61) 2003->2010, BMW X1 (E84) 2009->2015, Mini (R55/R56/R57/R58/R59) 2006-> |
|------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|

|                  |                                              |
|------------------|----------------------------------------------|
| <b>Použitie:</b> | pre zachovanie funkčnosti OEM USB konektorov |
|------------------|----------------------------------------------|

## Ďalšie informácie

|                         |          |
|-------------------------|----------|
| <b>Hmotnosť brutto:</b> | 0,015 kg |
|-------------------------|----------|
