## Product specifications

|                                       |                                  |
|---------------------------------------|----------------------------------|
| <b>Type of car audio accessories:</b> | mounting half frame for CB radio |
|---------------------------------------|----------------------------------|

|                                  |          |
|----------------------------------|----------|
| <b>Mounting hole dimensions:</b> | 140x41mm |
|----------------------------------|----------|

|                                   |                                             |
|-----------------------------------|---------------------------------------------|
| <b>Application - radio brand:</b> | Albrecht, AUDIOTEC, Lafayette, Omega, Yosan |
|-----------------------------------|---------------------------------------------|

|                                   |                                                                                                                                                |
|-----------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Application - radio model:</b> | Albrecht AE-6690, AUDIOTEC Areo, Lafayette Ares, Lafayette Ermes, Lafayette Zeus, Yosan JC850, Yosan JC2204/2205, Yosan PRO-110, Yosan PRO-120 |
|-----------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|

|                            |                  |
|----------------------------|------------------|
| <b>Car Audio features:</b> | with center hole |
|----------------------------|------------------|

## Additional information

|                      |         |
|----------------------|---------|
| <b>Gross weight:</b> | 0.17 kg |
|----------------------|---------|
