| <b>Productgroep:</b> | Coaxiale aansluitingskabels |
|----------------------|-----------------------------|

## Productparameters:

|                            |                   |
|----------------------------|-------------------|
| <b>Type aansluitkabel:</b> | coaxiaal antenne- |
|----------------------------|-------------------|

|                                    |                          |
|------------------------------------|--------------------------|
| <b>Constructie kabel/doorgang:</b> | DIN-stekker, ISO-contact |
|------------------------------------|--------------------------|

|                         |       |
|-------------------------|-------|
| <b>Connectorversie:</b> | recht |
|-------------------------|-------|

|                               |                |
|-------------------------------|----------------|
| <b>Bestemming - automerk:</b> | Audi, Seat, VW |
|-------------------------------|----------------|

|                                |                                     |
|--------------------------------|-------------------------------------|
| <b>Bestemming - automodel:</b> | Audi 1997->, Seat ->2002, VW 1997-> |
|--------------------------------|-------------------------------------|

|                                |                                 |
|--------------------------------|---------------------------------|
| <b>Caraudio eigenschappen:</b> | voeding met ISO-ISO-verloopstuk |
|--------------------------------|---------------------------------|

## Extra informatie

**Bruto gewicht:**

0,048 kg
