

## Productkaart 11010

|                |       |
|----------------|-------|
| <b>Symbol:</b> | 11010 |
|----------------|-------|

|                      |                               |
|----------------------|-------------------------------|
| <b>Productgroep:</b> | Audio - video kabels, overige |
|----------------------|-------------------------------|

### Productparameters:

|                            |           |
|----------------------------|-----------|
| <b>Type aansluitkabel:</b> | RCA - RCA |
|----------------------------|-----------|

|                                    |                                                |
|------------------------------------|------------------------------------------------|
| <b>Constructie kabel/doorgang:</b> | bediening, RCA-stekker x2, RCA-stekker x2 hoek |
|------------------------------------|------------------------------------------------|

|                     |    |
|---------------------|----|
| <b>Kabellengte:</b> | 5m |
|---------------------|----|

|                           |         |
|---------------------------|---------|
| <b>Bedekking contact:</b> | verguld |
|---------------------------|---------|

|                        |             |
|------------------------|-------------|
| <b>Kleur isolatie:</b> | donkerblauw |
|------------------------|-------------|

|                            |             |
|----------------------------|-------------|
| <b>Opbouw afscherming:</b> | afgeschermd |
|----------------------------|-------------|

|                         |             |
|-------------------------|-------------|
| <b>Kleur connector:</b> | donkerblauw |
|-------------------------|-------------|

|                                  |                 |
|----------------------------------|-----------------|
| <b>Toepassing aansluitkabel:</b> | voor versterker |
|----------------------------------|-----------------|
