## Product specifications

|                                              |                                                                                                                                                        |
|----------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Type of car connector:</b>                | Aux adapter                                                                                                                                            |
| <b>Cable/adapter structure:</b>              | Jack 3,5mm                                                                                                                                             |
| <b>Application - car brand:</b>              | Alfa Romeo, Fiat, Lancia, Smart                                                                                                                        |
| <b>Application - car model:</b>              | Alfa Romeo 159 2007-> (models with radio Grundig SB05),<br>Fiat Grande Punto 2007-> (models with radio HGT1400),<br>Lancia 2007->, Smart ForTwo 2007-> |
| <b>Application - factory radio receiver:</b> | headunits with activated audio input                                                                                                                   |
| <b>Cable length:</b>                         | 0.8m                                                                                                                                                   |

**Rated voltage:** 5...36V DC

## **Additional information**

**Gross weight:** 0.025 kg
