## Parametre produktu

|                         |              |
|-------------------------|--------------|
| <b>Type of antenna:</b> | automobilová |
|-------------------------|--------------|

|                     |       |
|---------------------|-------|
| <b>Druh antény:</b> | SHARK |
|---------------------|-------|

|                       |        |
|-----------------------|--------|
| <b>Vlnový rozsah:</b> | AM, FM |
|-----------------------|--------|

|                    |     |
|--------------------|-----|
| <b>Pripojenie:</b> | DIN |
|--------------------|-----|

|               |              |
|---------------|--------------|
| <b>Farba:</b> | matná čierna |
|---------------|--------------|

|                           |       |
|---------------------------|-------|
| <b>Dĺžka kábla AM/FM:</b> | 0,25m |
|---------------------------|-------|

|                                   |       |
|-----------------------------------|-------|
| <b>Rozmery montážneho otvoru:</b> | Ø15mm |
|-----------------------------------|-------|

|                                 |     |
|---------------------------------|-----|
| <b>Vlnová impedancia AM/FM:</b> | 75Ω |
|---------------------------------|-----|

|                                   |        |
|-----------------------------------|--------|
| <b>Citlivosť pre pásmo AM/FM:</b> | 20dBi  |
| <b>Napájacie napätie:</b>         | 12V DC |
| <b>Druh kábla:</b>                | RG174  |
