## Parametry produktu

|                                  |               |
|----------------------------------|---------------|
| <b>Typ akcesoriów car audio:</b> | ramka radiowa |
|----------------------------------|---------------|

|                                         |                                                                                 |
|-----------------------------------------|---------------------------------------------------------------------------------|
| <b>Przeznaczenie - marka samochodu:</b> | Citroën, Ford, Mercedes, Peugeot, Renault, Saab, Seat, Škoda, Suzuki, Volvo, VW |
|-----------------------------------------|---------------------------------------------------------------------------------|

|                                         |                                                                                                                                                                                                                                                                                                                                                                                                         |
|-----------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Przeznaczenie - model samochodu:</b> | Citroën C2, Citroën C3, Ford Galaxy ->2006, Mercedes A-Class (W168), Mercedes M-Class (W163) 1997->2005, Mercedes Vaneo ->2005, Peugeot 206, Peugeot 307, Renault Trafic, Saab 9-5 1997->2005, Seat Arosa, Seat Ibiza, Škoda Fabia ->2007, Škoda Octavia I ->2004, Škoda Superb, Suzuki Swift 2005, Volvo S40, Volvo S80, VW Bora, VW Golf IV, VW Lupo, VW Passat ->2005, VW Polo 9N, VW T5 Transporter |
|-----------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

|                                     |       |
|-------------------------------------|-------|
| <b>Wersja akcesoriów car audio:</b> | 2 DIN |
|-------------------------------------|-------|

|                               |                                        |
|-------------------------------|----------------------------------------|
| <b>Wymiary wewnętrzne:</b>    | 102x178mm                              |
| <b>Opis:</b>                  | Do zastosowania z radioodbiornikami 8" |
| <b>Właściwości car audio:</b> | uniwersalne                            |
| <b>Wymiary zewnętrzne:</b>    | 110x188x8mm                            |

## Informacje dodatkowe

|                     |          |
|---------------------|----------|
| <b>Masa brutto:</b> | 0,018 kg |
|---------------------|----------|
