|----------------|------------|
| Symbol: | PCB.TYP.04 |
|----------------|------------|

| | |
|----------------------|--|
| Productgroep: | Zakken en half-zakken voor radio en CB |
|----------------------|--|

Productparameters:

| | |
|------------------------------------|-----------------------|
| Type accessoires car audio: | schacht voor CB-radio |
|------------------------------------|-----------------------|

| | |
|-----------------------------------|----------|
| Afmetingen montageopening: | 141x37mm |
|-----------------------------------|----------|

| | |
|--------------------------------|----------------------------------|
| Bestemming - radiomerk: | Alan, EMPEROR, Intek, Maxon, TTI |
|--------------------------------|----------------------------------|

| | |
|---------------------------------|---|
| Bestemming - radiomodel: | Alan 78, Danita 3000, EMPEROR Kenji, Intek M790, Intek M-110, Intek M-120, Maxon CM10, TTI TCB-660, TTI TCB-770 |
|---------------------------------|---|

| | |
|--------------------------------|----------------------|
| Caraudio eigenschappen: | met centrale opening |
|--------------------------------|----------------------|

Extra informatie

Bruto gewicht: 0,176 kg
