| <b>Grupa produktów:</b> | Ramki radiowe |
|-------------------------|---------------|

## Parametry produktu

|                                  |               |
|----------------------------------|---------------|
| <b>Typ akcesoriów car audio:</b> | ramka radiowa |
|----------------------------------|---------------|

|                                         |                                                                           |
|-----------------------------------------|---------------------------------------------------------------------------|
| <b>Przeznaczenie - marka samochodu:</b> | Citroën, Ford, Mercedes, Peugeot, Renault, Seat, Škoda, Suzuki, Volvo, VW |
|-----------------------------------------|---------------------------------------------------------------------------|

|                                         |                                                                                                                                                                                                                                                                                                                                                                                                                     |
|-----------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Przeznaczenie - model samochodu:</b> | Citroën C2, Citroën C3, Ford Galaxy (WA6) ->2006, Mercedes A-Class (W168), Mercedes M-Class (W163) 1997->2005, Mercedes Vaneo ->2005, Peugeot 206, Peugeot 307, Renault Trafic, Seat Arosa, Seat Ibiza, Škoda Fabia ->2007, Škoda Octavia ->2004, Škoda Superb, Suzuki Swift 2005->, Volvo S40, Volvo S80, VW Bora ->2005, VW Golf IV ->2005, VW Lupo ->2005, VW Passat ->2005, VW Polo 9N->2005, VW Transporter T5 |
|-----------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

|                                     |       |
|-------------------------------------|-------|
| <b>Wersja akcesoriów car audio:</b> | 2 DIN |
|-------------------------------------|-------|

|                            |                                        |
|----------------------------|----------------------------------------|
| <b>Wymiary wewnętrzne:</b> | 99x171mm                               |
| <b>Opis:</b>               | Do zastosowania z radioodbiornikami 7" |
| <b>Wymiary zewnętrzne:</b> | 110x188,5mm                            |

## Informacje dodatkowe

|                     |          |
|---------------------|----------|
| <b>Masa brutto:</b> | 0,022 kg |
|---------------------|----------|
